

# Capability Statement

## Core Competencies

Our innovative microclinic model delivers excellent, affordable primary care in previously unsustainable places. **We fill care voids for underserved, time-poor populations.**

- ✓ Lower healthcare cost
- ✓ Improve population health
- ✓ Reduce strain on public healthcare

## Differentiators

Our microclinic operating model leverages a **hybrid in-person telemedicine care delivery** to make **healthcare cost-effective.**

## Company Data

Hamilton Health Box is a value-based primary care microclinic leader. We meet the **healthcare needs of small and medium rural populations and employers.**
